

The Book Circle meets at a private venue on the 3rd Friday of each month, to discuss the current choice over a cup of tea.

We plan a reading programme three or four months in advance aiming to choose books readily available from the library or as paperback.

However we are unable to take new members at present unless there is enough interest to start a second group.

If you would like to know more, or to join the waiting list for a second group, please email: book.circle@liphooku3a.org.uk
