

LIPHOOK U3A BOULES

**We play each Friday morning starting promptly at 10.30 am
for two hours on a well kept terrain at the rear of the
Temple Inn, LISS FOREST.**

All are welcome to join, and boules are available to borrow.

It's 50p a session for U3A members and £1 guests.

The origins of the game are reputed to go back to Roman times with the modern game having strong roots in southern France – you've all seen the old chaps playing in the car parks. The great thing is that it is a game that all can enjoy irrespective of physical strength, height or age. These things make little difference to your ability to play.

We play using rules that are roughly based on those created by the British Pétanque Association – yes, the game has an official body in this country.

At the Temple Inn from 11:00 am onwards drinks are available – we have a choice – a lovely drop of filter coffee is available – or, drinks at the bar. Ann, the landlady, is usually about after 12.30 am to provide some food at lunchtime if you so wish.

Why not come along and give it a go!!
