

Chess

The Chess Group meets on the first and third Friday afternoons, at 2:30 pm at a private venue. There are 6-8 members currently.

Beginners are particularly welcome and guidance on various aspects of play: the openings, the middle game and the end game is available for those who would welcome it.

The Group has recently acquired several instructional CDs, which will be of use to beginners wishing to improve their game.

Anyone interested please telephone: *Alan Wilson* on 01428 722464
