

MUSIC APPRECIATION GROUP

The Music Appreciation Group meets on the 2nd Monday of each month at 2.00 pm [the 3rd Monday when a bank holiday falls in the month] to listen to and discuss western classical music and occasional jazz at 1 Childerstone Close, Liphook or 52 Waggoners Way, Grayshott. Our programmes concentrate on the music of particular composers or of specific countries and guidance notes are prepared for each programme. We also try to organise occasional visits to live concerts locally or to the Anvil Concert Hall, Basingstoke to enable members to experience live music of national or international quality.

Refreshed from our summer break, our programme for the rest of 2008 is as follows:

- | | |
|---------------|--|
| 8 Sep | Some recent classical releases [Liphook] |
| 13 Oct | The Music of Spain [Grayshott] |
| 10 Nov | Another look at Russia [Liphook] |
| 8 Dec | A Seasonal Selection to include organ music [Grayshott] |
